

The World's Biggest Playgroup

In March 2011, the Children & Young People Commissioner (CYPC) attended the *World's Biggest Playgroup*.

The event was organised through the ACT Government's Child & Family Centres, which provide a 'one-stop-shop' for parents and carers of children and young people.

The *World's Biggest Playgroup* provided a wide variety of activities for children under 5 years of age, including the opportunity for children to paint, do puzzles, meet other children and play games.

As well as just talking with children and their families, the CYPC also set up a paint station at the event, and provided children with cardboard-cut-out hands and dolls to paint and decorate.

Over 150 children and their families visited the CYPC's paint station to have some fun and to chat with the CYPC.

Many children took their creations home, but others donated their artworks to the CYPC, who has since used extracts from some of the images in a range of CYPC promotional material.
